 In order to reach their Early Learning Goal, children in Reception need to be able to read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words

Tricky Words!

Part of our Read, Write, Inc. sessions include learning 'tricky' **RED** words. These are words that cannot be sounded out by using phonics because they are not phonetically decodable.

Games to try at home!

Feeding Tricky Words!
 You don't have to create a shark. It could be a monster, a fairy and give her magic wands, anything that fits with your child's interest!

Building Tricky Words!
 You could use lego, blocks, playdough, natural resources outside like sticks and leaves, shells on the beach etc. to make the word!

Search 'Tricky Word Song' into YouTube and sing the songs together!
