Our School Blog

You may remember a while ago, we mentioned the possibility of a Pump Track just behind school... A dedicated group are still working hard to make this vision a reality! Designed for bikers, BMX riders, skaters, and scooter enthusiasts of all ages and skill levels. They have proposed the perfect location: The Meadows Play area in Boscoppa, conveniently positioned near the skate ramp. They need your support to make it happen!

If you would like to show your support for this fantastic development, please sign a Positive Support form available in the office until Wednesday 5th March, or reach out to Jo Plester at Jimmerandjozzer@gmail.com

For more information, including details about the proposed site and images, visit the Facebook page "The Meadows Pump Track."

Additionally, if you would like your child to express their interest in this project, forms will also be available in the classrooms. (These will just have the child's name but no contact information). Let's come together as a community to make this amazing opportunity happen!

To mark St Piran's Day, we will be having a pasty lunch on Wednesday next week! You can order your child's pasty via ParentPay in the usual way.

Please note - the tomato pasta option will not be available on this day (steak/cheese & onion pasty or jacket potato options only).

EASTER CREATIVE CROSS COMPETITION

For this year's **Easter competition**, we're inviting you to use your creativity skills to produce a piece of art or sculpture using the cross as your inspiration. We've purposely left this year's competition more open ended to allow your creative talents to flow! Seeing entries over recent years and competitions, we're excited to see what you can produce!

Entries can be either 2-dimensional pieces of art or 3-dimensional designs.

Here are some ideas that might help get your ideas started.

- Use your photography skills to take photos of crosses you see
- Use a Creation Care foras and recycled materials to create a cross
- Use your digital art skills to design a cross using computer design software
- Use your knitting, sewing or weaving skills
- Fill the inside of a cross shape with images of things you're thankful for or that represent you or your school or community?
- Fill a cross shape with words or phrases written creatively (feelings, phrases, people, words from the bible)
- Create a stained glass window design in the shape of a cross with tissue paper

We cannot wait to see your designs and display them in your cathedral for others to enjoy!

DESIGNS WILL BE DISPLAYED IN TRURO CATHEDRAL FROM APRIL 11 - 22

DIocese of TRURO EDUCATION

Dear Lord,

Thank you for the gift of life and the people around us. Help us to show respect in all that we do - towards ourselves, our friends, our families, and our teachers. May we listen with open hearts, speak with kindness, and treat everyone with fairness. Guide us to make wise choices, to care for our health and wellbeing, and to support one another in times of need. Teach us to celebrate differences, to stand up for what is right, and to spread love wherever we go. Help us to be the best version of ourselves. May we grow not only in knowledge but also in kindness and compassion.

Amen
