Our school blog

Another great week has flown by and we have seen lots of the children demonstrating the school's value of respect, both in the playground and the classroom.

A special mention to Scarlett, Olivia and Sophie who gave up their breaktime (without being asked to!) and did a litter pick around the playground. Well done girls, this makes me very proud.

Please make sure that you have signed up to the pupil progress meetings (Y1-Y5). These appointments give the opportunity for teachers to share any end of year results, inform you of your child's new class/teacher and the transition arrangements for next academic year:

You can access the booking system here: [SchoolCloud - Bishop Bronescombe C of E Primary School](#)

When any child changes class and/or teacher there can sometimes be emotions that need to be managed and it is necessary for children to get used to these changes. Sometimes parents can feel more anxious than the child and it is important that these anxieties are not needlessly passed down to them.

The teaching staff spend a lot of time ensuring that each child is placed in the correct class using a number of factors to inform their decisions. Sometimes, from a parents view, from the outside, and without knowing all of these factors, the allocation can seem to be a mistake. However, rest assured that every child and every aspect is looked at in detail and the decisions have been made in each child's best interests to give them the greatest chance to flourish. We are spoilt with highly accomplished teaching professionals and we ask that you trust their judgements in these matters.

As you know, we offer BBKids wraparound; which is very popular! We have tried to absorb ever increasing costs, so that they are not passed onto you., However, from the next academic year because of those increasing costs, we have made the difficult decision to raise our prices. Hopefully you can appreciate that this is the first price increase since 2021 and also these prices are still very competitive.

Breakfast club will be £4.50 (from £4.00)

4.30pm session will be £5.50 (from £5.00)

6.00pm session will be £9.00 (from £8.00)

Finally, a huge thank you; not only to KS1 for hosting and providing all the delicious treats for today's 'Bake Sale', but to everyone for their support. We raised over £135 for BBFriends which will go back into providing some more excellent opportunities for the whole school next year. Without these valuable funds, we would have no choice but to charge more for trips etc.

Wishing you a great weekend...
