Our School Blog...

It was lovely to see so many parents and carers visit teachers throughout Wednesday's parent consultations.

Although at times the weather was not great, it did not dampen down the many positive messages that teachers were able to give. You should now know how well your child has settled in, their attitude toward learning, their attendance and their reading age or group. Every child will have something to work on. However, the first consultation of the academic year is usually a great help to the teachers, as they get to glean from parents what their child likes and understand their characters better. They can then use this information to further support their learning.

Have a lovely weekend.

Mr Gynn

Homework expectations

KS1 - daily reading, Ed Shed and Numbots.

KS2 - daily reading, Ed Shed and TT Rockstars

All pupils should be reading daily and this should be recorded in their Reading Records. In addition, each child has an Ed Shed login (where you can find their weekly spellings) as well as a Numbots/TT Rockstars login, so that they can practise number recall.

If you do not have this information, please contact your child's class teacher.

Many thanks

Miss Newton

This week we celebrate Elouisa.

Elouisa shared her gift for sewing by making a pillow and an amazing bag. She was so creative, by using resources she already had making the bag from a pair of old shorts!

We're so proud of you.

Our school vision is at the heart of all we do at Bishop Bronescombe. We feel it is important to share the achievements of children who have worked hard to share their gifts and talents.

This week's achievers

Well done to the children below for following our BB Rules for Life. This week, we are celebrating our achievements in Science

Little Doves

Scarlett

For your enthusiasm and hard work in Science lessons

Little Fish

Francesca

For always showing a keen interest in the world around you and for a good understanding of our bodies and the importance of healthy living

Little Lambs

Spencer

For showing excellent Science knowledge when thinking about healthy and unhealthy foods

Peacocks

Teddy

For confidently classifying types of vertebrates and solving the Science challenge, by working out which animal was the odd one out

Pelicans

Jude

For always engaging in scientific conversations and moving learning forward

Phoenix

Max M

For your incredible knowledge of vertebrates and invertebrates

Angels

Joey

For being so naturally inquisitive and being able to explain in detail, the different forces that act on a range of objects!

Faith

Lilly

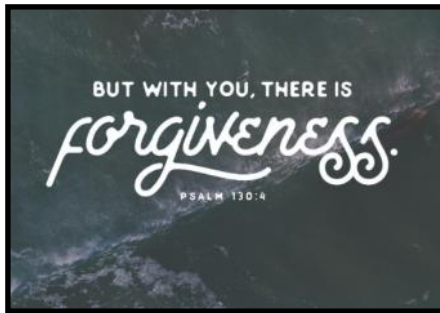

For working brilliantly with your partner to make a parachute to test air resistance

Hope

Reuben

For creating a brilliant parachute when considering the importance of air resistance

This week's achievers...

This week, we learnt about and celebrated our school vision of forgiveness

Little Doves

AJ

For always showing forgiveness towards everyone

Little Fish

Eli

For being quick to forgive a friend this week

Little Lambs

Riley

For showing forgiveness when a peer upset you at break time this week

Peacocks

Darcie

For always being kind and caring, and showing forgiveness towards others

Pelicans

Aubrey

For understanding what it means to forgive and always following the school rules

Phoenix

Christian

For showing forgiveness, even when it can be tricky

Angels

Bow

For being able to show great maturity and forgiving her peers at times of difficulty. Well done, Bow. It shows how much you genuinely care about your friendships.

Faith

Alfie T

For showing forgiveness and maturity when it was needed

Hope

Tyler L

For reflecting on a situation with maturity and for also showing a forgiving nature

Dear Lord,
Thank you for the gift of forgiveness.
We pray that you help us remember how important it is to forgive people when they make mistakes.
Amen.

National Child Measurement Programme 2022-23

We are getting ready for this year's National Child Measurement Programme.

This means if your child is in Reception, they will have their vision screened and when in Y1, their hearing will be screened. If your child is in Y6, they will have their height and weight checks.

Please note—your child will be screened unless you **opt out**.

Links to further information and opt out instructions has been posted on the Rainbows/Stars, Faith and Hope class story pages on Dojo.

Mr Rogers Rugby Report!

On Monday, a mix of Y5 and Y6 children were chosen to attend Pottair school, for an afternoon of tag rugby. The Cornwall Rugby league coaches ran the event perfectly and the team represented BB impeccably well, with one of the best defences at the whole tournament! Annie was awarded a rugby ball, as she was selected as "player of the tournament" by the coaches! A huge well done to all of the BB children chosen who were a credit to themselves and the school!

Y3 Bible presentation

On Tuesday, Rev Jules presented our Y3s with their individual bibles. These bibles remain in school, to be treasured by the children and accessed throughout their key stage 2 learning journey.

Christmas cards

If your child completed a Christmas card design in class, they will have brought home a sample card of their work today.

Orders forms need to be returned to school by Wednesday 12th October. Payments, to be made via ParentPay only by using the 'Christmas card orders' option, also need to be made by Wednesday 12th October.

We are unable to accept orders after this date.

Any orders received without payment, will also be cancelled.

Please note - you have to order a pack of cards, to be able to order any other items.

Unfortunately, the printers made an error with the designs from Phoenix class. If your child is in this class, you will receive a link to view your child's card on-line and an order form, next week.

School admissions

The online application process for starting school, transfer to Junior School and transfer to secondary school for September 2023 has now started. Detailed information about the admissions process is available online or on request from the School Admissions Team.

The deadline for applying for:

- Secondary school is 31st October 2022
- Primary school is 15th January 2023

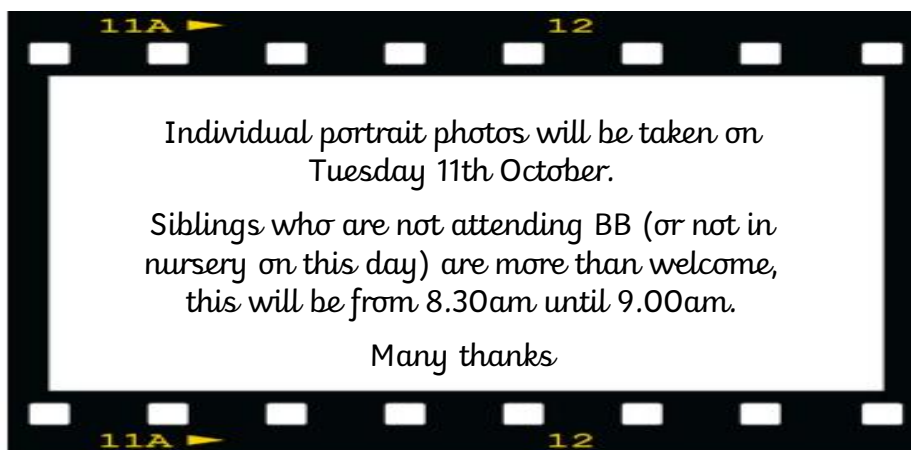

National offer day for:

- Secondary school is 1st March 2023
- Primary school is 16th April

Please ensure you name **more than one preference**. It will not mean less chance of securing place at your preferred school. Please note that if you do not apply on time, your preferred school may already be full.

If you need support with your application process, please contact the office, the Family Information Service (0800 587 8191) or School Admissions Team (0300 1234 101).

School photos

Nasal Flu Vaccinations

On Friday 4th November, Kernow Health will be coming into school to administer this year's nasal flu vaccinations. The vaccination is being offered to all children from Reception to Y6.

Further to the letter your child brought home today, please remember that the vaccine is offered on an 'opt in' basis. This means that if you do not submit a consent form for your child, they will **not** be vaccinated.

Consents need to be in by Wednesday 2nd November.

The website address and our unique school reference code are detailed in the letter.

If you have any problems accessing the form, please telephone 01872 221105.

Dates for your diary

Monday 10th October - KS1 Multi Skills even (Poltair)

Tuesday 11th October - School photos (individual portraits)

Friday 21st October - BB open afternoon (2.30-3.15pm)

Friday 4th November - Nasal flu vaccinations

2022-23 Inset Days - Mon 31st Oct 22, Mon 24th July 2023, Tues 25th July 2023
