## Our school blog

This week, as is usual, I have seen many instances of children sharing their gifts and talents (especially when competing the SATs papers). It's sometimes easy to forget all the hard work that goes in ahead of being able to show off your achievements. That hard work is a combination of both the child's and yours as a member of staff, through the support and encouragement you have given them over the years. Don't forget, when they demonstrate their gifts and talents, how big a part that you have played in their journey!

Have a lovely weekend everybody!

Mr Gynn

This week we celebrate all of our amazing Year 6s who have shown unbelievable resilience and determination in carrying out their SATS tests. We are all so proud of you and you should be incredibly proud of yourselves!

Our school vision is at the heart of all we do at Bishop Bronescombe. We feel it is important to share the achievements of children who have worked hard to share their gifts and talents.
