## Our School Blog...

We've seen a number of pupils to celebrate their achievements of **following instructions with thought and care, caring for everyone and everything and showing good manners at all times** this week. We were particularly pleased with the fantastic learning taking place in music this week in Hope class. The children proudly shared their use of the glockenspiels and performed a piece they have been working hard to learn. We were also amazed at the fantastic story telling from pupils in Key Stage One this week as well as great writing in Pelicans with impressive use of prepositional language and fronted adverbials and super maths mastery from pupils in Peacocks. Keep up the focus and great work everyone!

We have a number of new staff members who we wish to warmly welcome this week. Miss Easlick will be joining us to teach in Phoenix class on Wednesdays-Fridays. The class have met her this week and we are confident she will be a fantastic member of our team.

We are also delighted to share that Miss Routledge, who is a qualified teacher already working within the Key Stage One team will also be teaching in Little Fish classroom every Monday. We hope you agree this will provide consistency for the pupils as the children in this class already have a super relationship with her.

Finally, Miss Burr leaves for her maternity leave next week! Rainbows and Stars will continue to be taught by Mrs Hawk-Vango and Mrs Jackson. We wish her and her family the best of luck and look forward to meeting her new arrival very soon.

You may have read in last week's newsletter about the return of our parent forums. If you wish to join us on Thursday 3rd February, don't forget to express your interest by calling the office. Any agenda items you wish to discuss on this date must be sent to [bishopbronescombe.secretary@celticcross.education](mailto:bishopbronescombe.secretary@celticcross.education) by Monday 31st January.

Have a restful weekend,

Miss Jane and Mr Hobbs

# Parent Support

Want to make positive changes in your child's life?  
Have you explored the Wellbeing and Autism Wheel tool online?

This wheel can be used to find information about autism and to guide you in finding the right support for your child.

You can also produce a plan for your child, to share with professionals as evidence of what you have tried and how you have been supported in your journey so far.

The information held within this wheel is applicable to a wide range of developmental needs, and IS NOT exclusive to autistic spectrum disorder. (I sign post many families to this tool for example if they are struggling with a child's challenging behaviour)

To access the Wheel and for more info visit:
