

**Did you know...**  
 In order to reach their Early Learning Goal, children in Reception need to be able to: say a sound for each letter in the alphabet and at least 10 digraphs (a sound made up of 2 letters, e.g. sh and ch).

### Sound Cards

At BB, we follow the Read, Write, Inc. phonics program. Children are introduced to a new sound in each session, they then practise looking for it amongst previously learnt sounds and practise segmenting simple words with the new sound in.

These sound cards are fantastic resources to use at home as well! Ask your child's class teacher if you need a new set for at home.

There is lots of useful information and resources available online at:  
<https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

### Games to try at home!

#### Speed sounds!

m	a	s	d	t
n	g	o		
i	n	p	g	o
c	k	u	b	f
e	l	h	sh	r
j	v	y	w	th
z	ch	qu	x	ng
				nk

Use your set of sound cards to flash through the different sound and ask your child to tell you which sound is being shown. You can see how quickly you can speed through the sounds or ask your child to look for a specific sound and point when they see it!

#### I spy sounds!

Hide some sound around your house and count-down for your child to try and find as many sounds as they can! They need to tell you the sound they have found to keep it
