Share Your Gifts

## Our school blog

As you know, we offer BBKids wraparound; which is very popular! We have tried to absorb ever increasing costs, so that they are not passed onto you., However, from the next academic year because of those increasing costs, we have made the difficult decision to raise our prices. Hopefully you can appreciate that this is the first price increase since 2021 and also these prices are still very competitive.

Breakfast club will be £4.50 (from £4.00)

4.30pm session will be £5.50 (from £5.00)

6.00pm session will be £9.00 (from £8.00)

We have had another fun-filled week with lots of our children having the opportunity to share their gifts and talents ahead of our graduations and leavers' performances next week. It has been wonderful to see the children shine on the stage and we are really looking forward to sharing these with you over the next few weeks. A big thank you to all of the teachers and support staff who have encouraged and supported the children ahead of these performances, these wouldn't be possible without your support.

Please make sure that you look at our key diary dates below as the children have lots to look forward to over the next two weeks including the Y6 BBQ and Prom, a live performance of The Railway Children, our Rocksteady Concert and our termly BBs Got Talent.

Wishing you all a wonderful weekend

Team BB

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

## PARENT GOVERNOR VACANCY

### **What are we looking for?**

Our school Local Governing Body is made up of Governors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves.

### **We want you**

We will be looking for a new Parent Governor in September and would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate
- a willingness to listen and make informed judgements
- the ability to work well with others
- time to spare
- a child or children currently attending the school

If you match the above description, you may be the very person to become a Parent Governor at Bishop Bronescombe CofE School.

Everyone has something to offer and we want people from as many backgrounds and with as wide a range of interests as possible.

The existing board would encourage interest from anyone who has the following skills/background: Equality and Diversity

### **What can we offer?**

- The opportunity to work with our team of Governors and staff in improving our school
- A sense of achievement in making a difference to our school
- The pleasure of helping students reach their potential

### **What is the Local Governing Body's Role?**

The Local Governing Body of our school plays a key role in:

- setting targets for raising standards of educational achievement
- monitoring progress towards meeting these targets
- supporting and challenging the performance of the headteacher

A Parent Governor is not a delegate and does not speak 'on behalf' of the parent body. The role and responsibilities of parent governors are no different from those of the other governors.

The Local Governing Body meets termly, the meetings are held in the evenings usually from 3.30 and run for approximately 2 hours. The term of office is 4 years.

As well as attending meetings Governors are also asked to look at specific areas of the school's work in more detail and report back to the Local Governing Body.

To help support Governors, everyone has access to further training to help build on existing skills or to develop new ones.

Further information will be sent out in September along with application forms.

Depending on the number of applications there may be an election process, which will be advised in due course.
