Our School Blog

For those of you that follow the news, you will be aware of the current financial challenges that schools (including BB) are battling against.

All primary schools nationally have less numbers due to a falling birthrate. As funding is based upon the number of pupils on role, you don't need to be an accountant to realise this results in less income from the DfE. The other issue for us as a school is the rise in costs, particularly staffing. This is due to wage and national insurance contribution increases which the government have asserted will need to be funded by making 'efficiencies'. We have planned well for this and have endeavoured to ensure that pupils are not negatively impacted by this. At this stage it is hard to predict the future, but we have already put contingency plans in for the Autumn Term as there could be a return to industrial action by some Teaching Unions.

Please try and make the most of the extra day on Monday and good luck to Mrs Provis at the World Gig Rowing Championships and to Mr Scott, Mrs Clifford and Mrs Hermes taking the 'Lego Girls' to the nationals in Harrogate!

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.
