## Our school blog

It has been a super start to the final half term of the academic year!

Lower key stage 2 have been enjoying their residential and it is upper key stage 2's turn next week. We have also had football and athletics events that have been joyfully attended by children.

We have had a few educational professionals from around the county visit our school this week and they have been very complimentary about the Be Bold curriculum and of course the behaviour of the children in and around the school. They were so impressed with some of the wonderful things that we do for the children that they said they would 'borrow these ideas' in their own schools.

Thanks to BB Friends for providing ice creams from the ark at the end of today and remember that every ice cream you buy helps to fund fun events for the future!

Have a great weekend.

Mr Gynn

We are seeing an increasing number of strawberries and products containing strawberries in children's lunch boxes.

Please remember that not only are we a nut free school but are also a strawberry free school!

We have members of the BB community with severe airborne allergies, so please help us keep everybody safe.

Many thanks

## This week's achievers

Well done to the children below for following our BB Rules for Life. This week, we are celebrating our achievements in Outdoor Learning

### Little Doves

#### Jaxon

For your enthusiasm during our plant hunt in the Wild Space. You found lots of interesting plants
