

Bishop Bronescombe C of E Primary School

History— changes within living memory

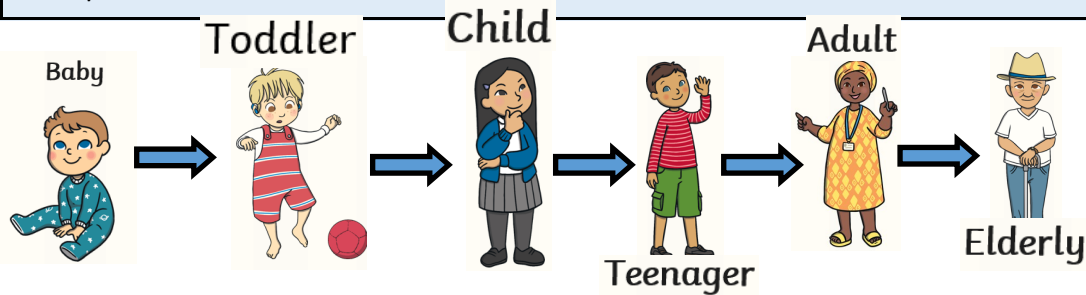

Year 1/2

Strand: History

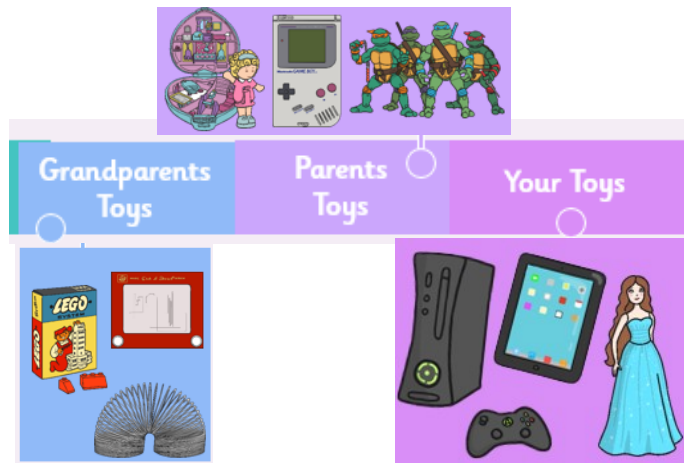

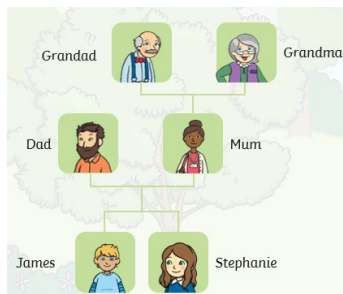

- identify similarities and differences between ways of life in different periods
- develop an awareness of the past, using common words and phrases relating to the passing of time
- Learn about changes in living memory

Key knowledge

- To know about different generations within a family
- To place toys from the past in chronological order.
- To compare their favourite toys with the favourite toys of parents and grandparents

Family Tree

Key vocabulary

20th Century	The 20th Century was 1900-1999
21st Century	We are in the 21st Century. It started in 2000 and will end in 2099.
Chronological	In order of time
Electronic toys	A toy which is an electronic device, i.e. a tablet, playstation, Xbox
Family tree	A diagram showing the relationship between people in a family
Metal toys	Toys made out of metal. i.e. spinning tops, toy soldiers, slinky
past	Time before now
Plastic toys	Most modern toys are made out of plastic. Soldiers, lego, dolls and ride-on cars are made out of plastic.
Wooden toys	Toys made out of wood. i.e. wooden train tracks, trains, boats, building blocks

By the end of the unit, your child should be able to:

- Sort things that babies, children and adults can achieve
- Place toys from the past in chronological order
- compare their favourite toys with the favourite toys of parents and grandparents
