Our School Blog

I can hardly believe that this is almost our final newsletter (but look out for next weeks publication, which will be dedicated to our wonderful Y6 Leavers') of the year. How quickly time goes. It reminds me of one of my favourite authors, Terry Pratchett who described 'time' as being fluid on Discworld, as it speeds up and slows, down depending upon what you are doing or waiting for.

Thanks to everyone who has played a part in ensuring that the children at BB continue to thrive and flourish. Parents and carers, staff, BBFriends, Holy Trinity Church, School Governors, The Rainbow Trust and of course the children themselves.

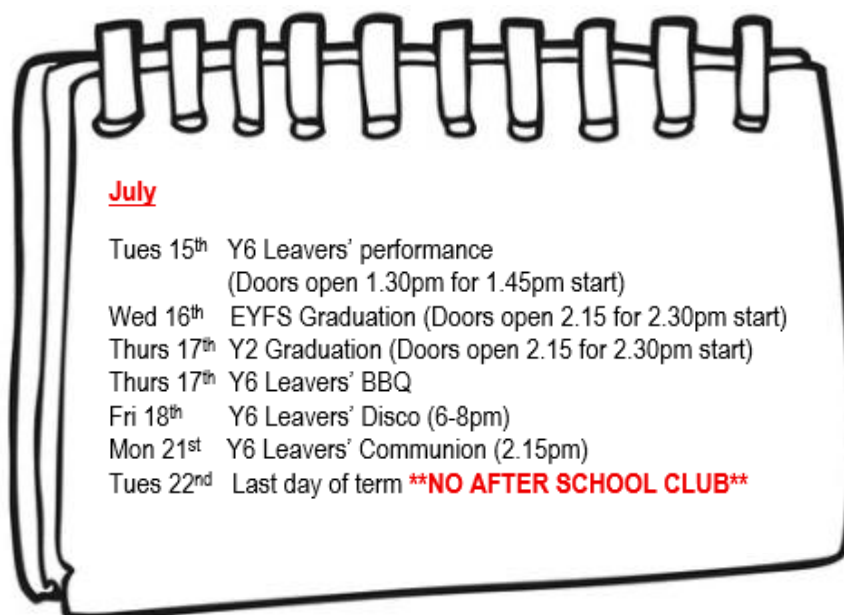

Finally, well done to all the children that took part in the St Austell Garden Festival design competition. We had a special visit from the Mayor this week, who presented the children who came in 1st, 2nd and 3rd places with their prizes! Special thanks to Miss Freight who worked hard with the children to create their masterpieces.

Have a wonderful last week and, if I don't see you before, see you all again in September!
