Introduction

It is our policy that all children should wear school uniform when attending school, or when participating in a school-organised event outside normal school hours. Our policy has been developed taking into account the Department for Education's [Cost of School Uniforms](#) guidance.

Aims and objectives

Our policy is based on the notion that a school uniform:

- promotes a sense of pride in the school;
- engenders a feeling of community and belonging;
- is practical and smart;
- identifies the children with the school;
- is not distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable, and good value for money, by most parents;
- has been designed with health and safety in mind.

- Pencil cases are not required as all equipment is provided, however should children wish to bring their own items in this would be limited to one pencil case per child and would be brought in at the owners own risk.

The Role of Parents

We ask all parents /carers who send their children to our school to support the school uniform policy. We believe that parents/carers have a duty to send their children to school correctly dressed and ready for their daily learning. Parents /carers should ensure that their child has the correct uniform, and that it is clean and in good repair.

Equal Opportunities

The school welcomes children from all backgrounds and faith communities. If there are serious reasons, e.g. religious objections, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests. Similarly, should an item of school uniform prove problematic for a pupil with disabilities, then parents are invited to draw this to the attention of the Headteacher. The school will not treat pupils with disabilities unfavourably.

If any parent /carer would like the school to modify the uniform policy, they should make representation, in the first instance, to the Headteacher.

Parents/ carers are encouraged to speak to the class teacher or a member of the Senior Leadership Team, if they are struggling to purchase appropriate uniform, due to financial concerns.

Second Hand Uniform

Please note that we have many second-hand items available which have come from past pupils and have all been washed ready to be re-used, please contact the school office if we can support you with any of these items

Monitoring and Review

When monitoring this policy, the Local Governing Board will:

- seek the views of parents/carers, to be sure that they agree with the policy, and support it

- consider with the Headteacher, any requests from parents for individual children to have special dispensations
- require the Headteacher to report to the Governors on the way in which the policy is being implemented
