Our school blog

Another half term is complete. We are now 5/6 of the way through the academic year!

At this time of the school year, the curriculum focusses more upon the learning and development of the children that takes place outside of the classroom. Therefore, we have an increase in educational visits, and for some, residential.

I had the pleasure of leading the first residential of the year this week. 51 Y5 & 6 pupils experienced London for three days and it was a pleasure to be with them.

There were so many highlights that it would be unfair to say what our favourite event was, but as always, it was really nice having members of the public commenting upon how well behaved and well mannered the children were.

After the half term break some of our Y3 and Y4 pupils will depart for their own, more local, residential camps. I am certain they will have just as good a time and make wonderful memories.

Arrangements are already being made for Summer 2025!

I also wanted to mention the 'Statement of Need' which has been published by the Diocese and sets out what they pray for, as a whole diocese, in their next Bishop of Truro.

<https://trurodiocese.org.uk/2024/05/statement-of-needs-published-in-search-for-next-bishop-of-truro/>

Big thanks to all those that donated to today's non-uniform day - we raised just over £179! (which goes back into treating the children).

Finally, a huge thank you to Rev. Jules for coming in to give our EYFS pupils their own beautiful bibles after doing our Pentecost Communion on Wednesday.

Wishing you all a wonderful half term and I look forward to seeing you on Monday 3rd June.

Mr Gynn

This week's achievers

Well done to the children below for following our BB Rules for Life. This week, we are celebrating our achievements in maths.

Little Doves

Sonny

For your great participation in maths lessons. You always have your hand up to share your answers and how you worked them out

Little Fish

Ema

For being a maths whizz! Mrs Horwell is particularly impressed with your number bonds and timetables knowledge

Little Lambs

Isla

For gaining so much confidence in your maths and smashing it

Peacocks

Lacey

For working hard on your timetables and looking set to fly through your Y4 multiplication test

Pelicans

Ashton

For always trying your best and persevering even, when you find some concepts tricky

Phoenix

Jed

For always working hard in maths lessons and for smashing your timetables checks every week. Well done!

Angels

Ilah-Mae

For showing an increasing resilience towards your maths learning. There has been a massive improvement in your abilities as you are believing in yourself more and more!

Faith

Lainie

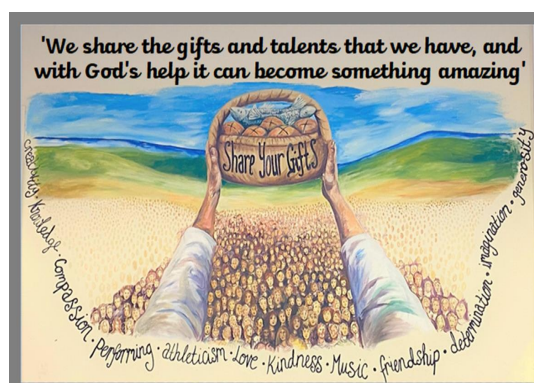

For having an excellent attitude towards maths. The progress you have made this year is amazing!

Hope

Millie

For systematically checking calculations to avoid preventable errors

Our school vision is at the heart of all we do at Bishop Bronescombe. We feel it is important to share the achievements of children who have worked hard to share their gifts and talents.

This week's achievers...

This week, we learnt about and celebrated our school vision of trust

Little Doves

Blake

For being able to always trust you to be ready to learn and follow instructions

Little Fish

Billy

We can always trust you to be a model student, follow the rules for life and always try your best

Little Lambs

Gracie-Mae

For always showing trust in the adults in your room and displaying that we can always trust you to do the right thing

Peacocks

Jowan

We can always trust that you are working hard and on task. You are a pleasure to teach and always give your best

Pelicans

Liam

You are 100% trustworthy and reliable. A valued class member and a fantastic role model

Phoenix

Connor

For being a trustworthy member of Phoenix class. We can always trust you do to the right thing. Well done!

Angels

Olivia

For starting to trust the adults around you more. It's been great to see your confidence increase this week!

Faith

Ethan H

For being fantastic on the London residential. All of the adults have spoken so highly of you and what a brilliant member of the group you were

Hope

Ella

We can always trust you to be responsible and carry out jobs around the classroom

Dear God,
Mathematics, oh so grand,
With numbers, formulas, and a plan.
Grant me wisdom, help me see,
The beauty of math, let it set me free,
Amen
