Our school blog

As you know, we offer BBKids wraparound; which is very popular! We have tried to absorb ever increasing costs, so that they are not passed onto you. However, from the next academic year because of those increasing costs, we have made the difficult decision to raise our prices. Hopefully you can appreciate that this is the first price increase since 2021 and also these prices are still very competitive.

Breakfast club will be £4.50 (from £4.00)

4.30pm session will be £5.50 (from £5.00)

6.00pm session will be £9.00 (from £8.00)

As the year comes to a close it is important to take stock of the many achievements of the pupils. They always impress me in their end of year shows and graduation ceremonies. I particularly like it when they share their favourite moments, which invariably are about visits they've been on or visitors they have welcomed into school.

For our Year 6 pupils it is even more poignant as they come to the end of their primary education, fully prepared for the next step into their chosen secondary school.

In this last week we will also be saying goodbye to some members of staff that are moving on. Mrs Biggers has been with us for four years as a teaching assistant across many classes and year groups. Mrs Rookley, who has been involved with the school for over twenty years, most recently supporting children in their early stages of reading. They have both been an integral part of the BB family and our love and best wishes go with them and we hope that they are regular visitors in the future.

We look forward to welcoming you all back on Wednesday September 4th after a summer break with hopefully lots of glorious weather!

Mr Gynn

School/wraparound will be open from the usual time on Monday. As some children will stay up late to watch the football on Sunday night, we have decided to keep registration open until 10.15am. Children arriving after 9am but before first break will have their lateness authorised.

IT IS HOWEVER IMPERATIVE THAT YOU INFORM THE OFFICE IF YOUR CHILD WILL NOT BE IN FOR 9AM.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.

PARENT GOVERNOR VACANCY

What are we looking for?

Our school Local Governing Body is made up of Governors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves.

We want you

We will be looking for a new Parent Governor in September and would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate
- a willingness to listen and make informed judgements
- the ability to work well with others
- time to spare
- a child or children currently attending the school

If you match the above description, you may be the very person to become a Parent Governor at Bishop Bronescombe CofE School.

Everyone has something to offer and we want people from as many backgrounds and with as wide a range of interests as possible.

The existing board would encourage interest from anyone who has the following skills/background: Equality and Diversity

What can we offer?

- The opportunity to work with our team of Governors and staff in improving our school
- A sense of achievement in making a difference to our school
- The pleasure of helping students reach their potential

What is the Local Governing Body's Role?

The Local Governing Body of our school plays a key role in:

- setting targets for raising standards of educational achievement
- monitoring progress towards meeting these targets
- supporting and challenging the performance of the headteacher

A Parent Governor is not a delegate and does not speak 'on behalf' of the parent body. The role and responsibilities of parent governors are no different from those of the other governors.

The Local Governing Body meets termly, the meetings are held in the evenings usually from 3.30 and run for approximately 2 hours. The term of office is 4 years.

As well as attending meetings Governors are also asked to look at specific areas of the school's work in more detail and report back to the Local Governing Body.

To help support Governors, everyone has access to further training to help build on existing skills or to develop new ones.

Further information will be sent out in September along with application forms.

Depending on the number of applications there may be an election process, which will be advised in due course.
